

# Sai Social Responsibility Research Centre

Launches Products

Handmade in JAITPUR

Proceeds from the handmade products from village women of Jaitpur - Vaishpur village support the education of girl children as part of SSRRC's 'Girl Child Education Adoption Program'. As a responsible citizen of our country you are invited to order these products from SSRRC [ssrrcentre@gmail.com](mailto:ssrrcentre@gmail.com) or [www.ssrrcentre.org](http://www.ssrrcentre.org) and be a part of "Skill India, Empowered India".

## About Us:

Sai Social Responsibility Research Centre (SSRRC) was established in August 2013 with a dream of making positive impact in the lives of the most vulnerable. We hold the hands of the marginalized sections of society to make them self-sufficient so that the chain of positive change can start flourishing society with empathetic leaders.

At Sai Social Responsibility Research Centre (SSRRC), we believe it is important to make a contribution towards our local and global community not only through advice and products, but also through strong sustaining actions. We are committed to bringing a positive change in the local communities neighboring our offices, institutions and across states.

**INDIA IS HOME TO 17% OF THE WORLD'S POPULATION. ABOUT 833 MILLION PEOPLE HERE LIVE IN THE RURAL AREAS, OUT OF WHICH 266 MILLION PEOPLE ARE STILL ILLITERATE.**

3

To put India in the category of developed nations and to benefit the larger section of our society it becomes immensely important to turn eyes towards rural areas for development. Despite the continued efforts of the government to increase the budget for rural development, villages in India continue to remain underdeveloped.

In this regard, SSRRC has joined hands with educationists, individual philanthropists, CSR experts, social activists and local leaders to bridge the in a village in Delhi NCR region (Jaitpur-Vaishpur village, Greater Noida in Gautam Buddha district of Uttar Pradesh) since the past four years. The effort has been reaching successful milestones under the able leadership of visionary educationist, Dr. Sushu Singh who holds 27 years of experience in education and CSR. Our flagship project is to make Jaitpur village an IDEAL/MODEL village among all.

SSRRC has been making a very strong presence in the community in and around Delhi-NCR with dedicated service in the fields of primary education, health, environmental sustainability, disaster relief, services to the handicapped, financial assistance to meritorious students, besides participating in all community activities.

“SSRRC” is a soulful society determined to bring a positive change in the society with passion and determination while developing change makers.

## Our Vision:

To build a society where individuals are empowered to improve the quality of their own lives and in turn contribute towards creating a more empathetic, equitable and efficient society.

## Our Mission:

- To partner with the most vulnerable communities, most reputed institutions and most efficient governments worldwide to create educated and employable individuals through financial, technical and advocacy support.
- By 2020, we aim to reach out to 10,000 marginalized children to improve the quality of their life.
- To execute on wide-reaching and effective Community development programs in the areas of Girl Child Education, Health Care, Elderly Care, Empowerment of the Specially Able and Environmental Sustainability (for example, through skill development training programs, vocational courses, health check up camps and workshops in remote areas.
- To create an empathetic and sensitive society through various social awareness initiatives.
- To develop a self-sustainable village development model

## Candle and Bandanvar making work at Jaitpur

## Soap and envelope making at urban slums

Our Girl Child Education Adoption Program has benefited 14 children from rural areas since 2015 to realize their dreams
